

JCS GENERAL LEDGER FREWARE LICENSE AGREEMENT

Copyright © 2009 by John Cookson (jc@jcsystems.ca) All rights reserved.

This license covers certain downloadable software that does not require payment of any license fee.

Even though a license fee is not paid for use of this software, it does not mean that there are not conditions for using the software. As a condition for granting you a license to use this software, you agree to all of the following terms and conditions. You are therefore deemed to have read, understood, and have accepted all such terms and conditions upon executing a download of this software

Redistribution of this software and uses in binary form, without modification, are permitted provided that such copies contain all the original Product's contents and proprietary notices. You may collect a reimbursement for the costs of producing the copy, but you may not charge a licensing fee for the product.

You are granted a non-exclusive license to use the Downloaded Software subject to your compliance with all of the terms and conditions of this Freeware License.

You are only granted a license for the object code portion of the software. You are not permitted to modify, enhance, reverse engineer or otherwise alter the software from its current state.

Because this license is granted to the user for no cost, the user is not entitled to free technical support from JCS Business Software Solutions.

You may place this software on the Internet or any other public access network as long as you also acknowledge JCS Business Software Solutions and place a link back to the JCS web site.
